Artist's statement:

I believe that art can be a beacon of hope, a powerful force which might inspire and drive us to positive actions. Therefore my art heightens awareness about sustainability and aspires to inspire individuals to contemplate their everyday choices and grasp their impact on nature, as an artist and advocate, I follow precise guidelines to pursue my ecological agenda. My deep commitment is creating art to inspire, educate, and drive action towards a more sustainable and compassionate world. Every artwork is complimented by an educational story, which I am glad to share upon contact.
